QUALITY POLICY

With this document, the Management of the company declares that: the key objective of the organization is to respect and uphold the qualitative and quantitative requirements agreed with the Customers for our products and services, at the best quality/price ratio, by managing effective and efficient processes, safeguarding the safety of our employees and ensuring economic, social and environmental sustainability. For this purpose, the Management undertakes to provide the resources and to apply and periodically review the Quality Management System, in compliance with ISO 9001:2015 and the Technical Specification IATF 16949:2016, and with the participation, involvement and awareness of all our employees and suppliers. In this way, we seek to achieve the maximum satisfaction of our customers and stakeholders, also by performing risk analysis, ensuring continuous improvement, and implementing the organization, management and control model (Legislative Decree 231/2001).
